SAMPLE LAPTOP WARRANTY (FAKE DOCUMENT FOR TESTING)

Product: Zephyr Air laptop. All names, numbers and terms below are invented.

1. Coverage

The laptop has a warranty of 12 months from the date of purchase.

The battery has a shorter warranty of 6 months.

An extended warranty of 12 more months can be bought for Rs 4,999 within 30 days of purchase.

Repairs under warranty are completed within 10 working days.

Free pickup and drop is available in metro cities only.

The warranty can be transferred once to a new owner, but only within the first 6 months.

2. Exclusions and returns

Liquid damage, physical damage from drops and repairs by unauthorised centres are not covered.

Cosmetic wear such as scratches and fading of the keyboard is not covered.

To make a claim, the customer must show the invoice and the serial number of the laptop.

If the laptop cannot be repaired within 30 days, it is replaced with an equal or better model.

The laptop can be returned within 7 days of delivery if it is unopened. A restocking fee of 10% of the price applies.

The company is not responsible for loss of data, so customers should keep a backup.
